1. DEFINITIONS

In these Conditions:-

(a) “Company” means the Smiths Detection company identified in the Quotation/Order.
(b) “Goods” means any item of goods of whatsoever nature which is sold by the Company to the Purchaser.
(c) “liability whatsoever” shall include, without prejudice to the generality of the expression, liability in tort and in contract, including liability for consequential loss (including loss of revenue or profit) or damage of any kind howsoever caused or arising.
(d) “ICC Incoterms” means the International Chamber of Commerce’s Incoterms as published from time to time.
(e) “Losses” means losses, claims, causes of action, suits, damages, liabilities, expenses (including, without limitation, fees and disbursements of legal counsel and expenses of litigation) or other obligations.
(f) “Operator” means the operator or user of Goods.
(g) “Order” shall mean the agreement between the Company and the Purchaser (individually “Party” and collectively “the Parties”) for the sale and purchase of the Goods and/or Services and the Terms and Conditions of Sale herein and any other contemporaneous writing.
(h) “Purchaser” means the company, firm or individual who has bought, or agreed to buy, the Goods and/or Services.
(i) “Purchaser Delays” means any delay by Purchaser in performing any contractual obligations or any other circumstances for which Purchaser is responsible, including, without limitation, delays to attend testing (if required), provide adequate delivery instructions, take delivery, arrange shipment or import licences, or be available for installation and/or training.
(j) “Quotation” means the quotation addressed to the Purchaser by the Company.
(k) “Services” means all services, including maintenance and installation services, provided under the Order.

2. GENERAL

(a) The Quotation does not constitute an offer to supply any Goods or Services and no contract exists unless and until there has been an acceptance by the Company in writing of the Order.
(b) The acceptance of the Order whether or not based on a Quotation from the Company shall, unless otherwise specifically agreed by the Company in writing, be deemed to be subject to the terms and conditions herein contained which shall apply to the exclusion of any other provisions contained in any document issued by the Company at any time before or after this contract and, in particular, but without prejudice to the generality of the foregoing, contained in any order by the Purchaser.
(c) Unless otherwise stated in writing all descriptions, specifications, drawings and particulars of weights and dimensions submitted by the Company or otherwise contained in the Company’s handbooks, manuals, catalogues, brochures, price lists and other published matter are approximate only and nothing contained in such forms part of any contract or give rise to any independent or collateral liability upon the part of the Company being intended merely to present a general idea of the Goods as described therein.
(d) The performance figures in respect of the Goods included in the Company’s specifications, product brochures and other published matter are based on results obtained by the Company in tests and the Company accordingly warrants only that the Goods met or demonstrated those performance standards or characteristics which are specifically attributed thereto in such specifications made available by the Company to the Purchaser and the Company gives no warranty that the Goods will be suitable for any particular use to which the Purchaser may put them or how they will perform in such use or application.
(e) The Purchaser shall ensure that any of its employees, agents or representatives or other person to whom the Purchaser shall provide the Goods shall receive a copy of any operator manual in respect of the Goods which is available from the Company.

3. PRICE

(a) The price of the Goods and/or Services is that current at the date of the Quotation, which is valid for a period of 30 days thereafter, unless stated to the contrary by the Company on the face of the Quotation or otherwise in writing.
(b) The Goods and/or Services shall be those specified in the Order as confirmed by the Company’s acceptance in writing and the Company reserves the right to increase the price if the Purchaser requests an alteration to the Order or requests any modification to the Goods and/or Services.
(c) The price of the Goods includes the cost of basis packaging.
(d) The price of the Goods and/or Services excludes Value-Added Tax (VAT) which shall be charged at the prevailing rate at the time of invoice, if applicable.
(e) The cost of any special packaging shall be determined at the date of invoice and shall be payable by the Purchaser.
(f) The Purchaser shall not be entitled to make any deduction from the price of the Goods and/or Services in respect of any set-off or counter-claim unless both the validity and the amount thereof have been expressly admitted by the Company in writing.

4. PAYMENT

(a) In respect of Goods, the Company shall invoice the Customer on or at any time after completion of each delivery in accordance with Condition 6(a), unless otherwise agreed in writing with the Customer.
(b) In respect of Services, the Company shall invoice the Customer on or at any time after completion of the Services, unless otherwise agreed in writing with the Customer.
(c) The Purchaser shall, except where other payment arrangements are specifically agreed in writing or are identified on the face of the Order, make full payment for the Goods and/or Services not later than 30 days after the date of the invoice relating thereto or, if earlier, on the day which a receiver of the Purchaser’s undertaking is appointed or upon which any act is done or event occurs which is related to the insolvency of the Purchaser. If payment for the Goods is not made when due the Company may charge interest thereon until payment at the statutory rate from time to time in force. Time of payment shall be of the essence. In addition to any penalties or late payment interest, the Company may impose a flat late payment charge of 40 (forty) Euros in accordance with Article L. 441-3, L. 441-6 and D. 441-3 of the French commercial code or any other overdue amount, whether before or after judgment. The Purchaser shall pay interest together with the overdue amount.
(d) All the for payment shall be made free of charge.
(e) Any failure to pay the price or any part thereof and other moneys payable by the Purchaser hereunder when due will also entitle the Company to refuse to make delivery of any further consignment of Goods under this contract or goods under any other contract with the Purchaser and without incurring any liability whatsoever to the Purchaser for any delay.
(f) In addition to any lien to which the Company may otherwise be entitled, the Company shall, in the event of the Purchaser being in default to pay the purchase price due under any other contract with the Company, be entitled to a general lien on all goods of the Purchaser in the Company’s possession for the unpaid price of the Goods sold and delivered to the Purchaser by the Company under this or any other contract.
(g) No defect in the Goods or Services shall operate to interfere with the terms of payment.
(h) The Company reserves the right to change the terms of payment whenever it reasonably appears that Purchaser’s financial condition requires such changes, and may demand assurance of the Purchaser’s ability to pay whenever it reasonably appears that such ability is in doubt. Such demand shall be in writing and the Company may, upon making such demand, stop production or and suspend shipments hereunder without any liability whatsoever to the Purchaser.

5. TRANSFER OF RISK AND PROPERTY

(a) All risk and title in and to the Goods shall transfer to the Purchaser in accordance with the stated INCOTERMS of the Quotation.
(b) Any Purchaser Delays shall result in immediate transfer of the risk of loss or damage to the Purchaser and Purchaser shall be responsible for the procurement of insurance, if so desired, on the Goods.
(c) The Company shall have no liability for damage of the Goods unless notice of a claim is received by the Company within 3 days of the Goods being received by the Purchaser.

6. DELIVERY

(a) Unless otherwise specified on the Quotation, or otherwise agreed in writing, all shipments of Goods made by Smiths shall be Ex-Works Company’s Designated Facility (INCOTERMS 2020). Notwithstanding the foregoing, all shipments exported outside of the country in which the Company is located shall be FCA Company’s Designated Facility (INCOTERMS 2020).
(b) Unless otherwise stated in writing any time or date for the delivery of Goods shall run from the date on which acceptance of the Order is communicated to the Purchaser Any dates quoted for delivery of the Goods are approximate only, and the time of delivery is of the essence.
(c) Where the Goods are delivered ExW (INCOTERMS 2020), the Customer shall collect the Goods from the Company’s premises within 3 business days of the Company notifying the Customer that the Goods are ready for collection.
(d) Delivery and the Purchaser’s acceptance of the Goods shall be deemed to have taken place at the earliest point in time at which risk passes to the Purchaser under the INCOTERMS. Signature on delivery note by any agent, employee or representative of the Purchaser or by any independent carrier shall be conclusive proof of the delivery and the Purchaser’s acceptance of the Goods.
(e) Without prejudice to any rights of the Company hereunder, if the Purchaser shall fail to give on or before the agreed date of delivery all instructions reasonably required by the Company and all necessary documents, licences, consents and authorities (which the Purchaser is obliged under these terms and conditions or by law to obtain) for forwarding the Goods or if there is any other Purchaser Delay, the Purchaser shall pay to the Company all out of pocket expenses and any other out of pocket expenses incurred arising from such delay.
(f) The Purchaser shall be obliged to take delivery of the Goods and/or Services when they are delivered or tendered for delivery in accordance with the Order. Where the Purchaser refuses or is unable (for any reason) to accept delivery of the Goods and/or Services if there is any other Purchaser Delay, the Company shall have the right (without prejudice to its other rights) to invoice the Purchaser in respect thereof (payment to be
made within 30 days of the invoice date) and the Goods and/or Services shall be deemed delivered. The Company shall be entitled to invoice the Purchaser for the reasonable costs of re-delivery, storage and all other handling costs arising directly or indirectly therefrom and the Purchaser shall make payment to the Company within 30 days of the invoice date.

(g) Purchaser Deliveries or to those considered not to be delays for the Company and result in a corresponding automatic extension of any agreed upon time for the performance of the Company’s obligations under this Order. The Company shall not be liable to the Purchaser under any circumstances whatsoever for any penalty, damage or loss resulting directly or indirectly from any Purchaser Delays.

(h) Unless otherwise stated in writing the Company shall be entitled to make partial deliveries of equipment and where the Company has agreed to be responsible for delivery of the Goods to the Customer) to determine the route and manner of delivery of the Goods and shall be deemed to have the Purchaser’s statutory rights shall not be affected by this Condition and any breach of contract, breach of statutory duty, otherwise howsoever caused or suffered shall be limited to the amount of the Order to which the Goods and/or Services relate.

(i) Should these Conditions apply to a consumer transaction this Condition shall not affect the statutory rights of the Purchaser.

(j) The Company makes no guaranty or warranty as to the results that will be achieved through the use of the Goods and it is agreed that the sole responsibility for such results shall be borne by Purchaser.

(k) The remedies provided in Condition 7 above shall be the Purchaser’s sole and exclusive remedy in respect of the Goods and all further remedies are hereby expressly excluded, to the extent permitted by applicable law.

(l) Nothing in these terms shall exclude or limit the Company’s liability for: (i) death or personal injury resulting from the Company’s negligence; (ii) fraud or other fraudulent misrepresentation; and (iii) any matter in respect of which it would be unlawful for the Company to exclude or restrict liability.

The Purchaser shall notify the Company in writing of any alleged defect within 30 days of its discovery. Under this provision the Company will make good any defect by repair or replacement within a reasonable period of time. Any delay in repair of replacement or the Goods is affected, corrected, corrected to the full satisfaction of the Purchaser. Purchaser shall not be liable to provide repairs under this warranty and shall be subject to a warranty on the same terms as this warranty for the remaining initial warranty period.

No claim will be entertained by the Company under this product warranty arising out of any fault or error or for replacement free of charge under this warranty will be subject to a warranty on the same terms as this warranty for the remaining initial warranty period.

No claim will be entertained by the Company under this product warranty arising out of any fault or error or for replacement free of charge under this warranty will be subject to a warranty on the same terms as this warranty for the remaining initial warranty period.

Should these Conditions apply to a consumer transaction this Product Warranty shall not affect the statutory rights of the Purchaser.

7. PRODUCT WARRANTY

(a) The Company warrants the Goods supplied by it against defective materials and defective workmanship for a period of twelve months from the date of delivery of the Goods. (See condition 6 (e) above) provided that the Purchaser notifies the Company in writing of any alleged defect within 30 days of its discovery. Under this warranty the Company will make good any defect by repair or replacement within a reasonable period of time if in the opinion of the Company the defect constitutes a breach of this product warranty. The Company shall not be liable to the Purchaser under any circumstances whatsoever for any penalty, damage or loss resulting directly or indirectly from any Purchaser Delays.

(b) The Purchaser shall provide the Supplier, its employees, agents, consultants and subcontractor with access to the Purchaser’s premises and other facilities as reasonably required by the Supplier for the performance of the Services.

(c) The Purchaser shall not authorize or permit its employees, agents or subcontractors: (ii) any claim made against the Purchaser in respect of the Goods sold hereunder is in fact or in law defective or if such goods have been in any way dealt with contrary to any warranties or other terms whether express or implied, statutory or otherwise are hereby expressly excluded.

(d) All, if any, statements, recommendations and advice given by the Company or the Company’s servants or agents to the Purchaser or its servants or agents shall be at the Purchaser’s risk and without any liability on the part of the Company and the Purchaser hereby represents and warrants to the Company that no representation has been made to it by or on behalf of the Company that has in any way induced the Purchaser to enter into the contract with the Company.

Should these Conditions apply to a consumer transaction the Purchaser’s statutory rights shall not be affected by this Condition 9.

10. INDEMNITY

(a) Where the supply of the Goods is subject to an application for a clearance and/or export licence from any relevant governmental authority, the Company shall not be liable in respect of any fees, costs, expenses, damages and losses suffered or incurred by the Company arising out of or in connection with the Company against the Company by a third party arising out of or in connection with the provision of Services or supply of the Goods, to the extent that such claim arises out of the breach of contract, breach of statutory duty, negligence, or failure or delay in performance by Purchaser, its employees, agents or subcontractors: (i) any claim made against 

(b) The Purchaser acknowledges and agrees that the ultimate destination of Goods, Works, software, technology (“Products”) sold hereunder is in countries where the Company and the Purchaser are not aware of any such export arising from the Purchaser’s use and/or operation of the Goods.

11. EXPORT CONTROLS

(a) The Purchaser is relying on its own skill and judgement in relation to the Goods supplied under this contract and the Company accepts no liability whatsoever for any knowledge it or its employees, agents or representatives may possess as to the purpose for which the Goods are supplied.

(b) The Purchaser acknowledges that:

(i) The Goods are intended to be used as security screening equipment, in order to assist in the detection of illegal and/or hazardous materials; the skill, diligence and qualifications of the Operator (where applicable) and environmental conditions; and

(ii) No security screening equipment is capable of detecting every threat, and the Purchaser is not required to impart the expectation that the Goods are capable of detecting, or that they will detect, all illegal and/or hazardous materials (this being the case whether the Goods are operated by the Purchaser, its servants or agents, the Company, its servants or agents, under the supervision, and regardless of the degree of diligence with which services of the Company, if any, are or have been performed).

(c) The Company makes no guaranty or warranty as to the results that will be achieved through the use of the Goods and it is agreed that the sole responsibility for such results shall be borne by Purchaser.

(d) The remedies provided in Condition 7 above shall be the Purchaser’s sole and exclusive remedy in respect of the Goods and all further remedies are hereby expressly excluded, to the extent permitted by applicable law.

(e) Nothing in these terms shall exclude or limit the Company’s liability for: (i) death or personal injury resulting from the Company’s negligence; (ii) fraud or other fraudulent misrepresentation; and (iii) any matter in respect of which it would be unlawful for the Company to exclude or restrict liability.

(f) Subject to (e), neither the Company nor any of its affiliates shall be under any liability whatsoever to the Purchaser whether in contract, tort (including negligence), breach of statutory duty or otherwise, for any indirect or consequential loss, loss or loss of goodwill, damages resulting from substitute procurement, loss of use, loss of data, loss of savings, loss of business, failure or delay in performance, even if the Company or its affiliates have been advised of the possibility of any such losses being incurred or or not arising out of any liability of the Purchaser to any other person).

(g) To the extent permitted by the applicable law, all conditions, warranties or other terms whether express or implied, statutory or otherwise are hereby expressly excluded.

(h) The total aggregate liability of the Company and its affiliates is limited in aggregate to the upper of: (i) 20% of the purchase price paid for the remaining Services.
12. INTELLECTUAL PROPERTY RIGHTS

In the event of any claim being made or action being brought or threatened in respect of infringement of patents, copyright, trade marks, trade names, registered designs or any other intellectual property rights in respect of the Goods the Purchaser will make no admission in respect thereof and will notify the Company thereof forthwith and the Company shall be entitled to conduct all negotiations and take all necessary proceedings to dispute the same in its name or the name of the Purchaser and the conduct of all proceedings and negotiations shall be completely at the discretion of the Company. In such event the Purchaser will execute all such documents and do all such things as the Company shall require. The Purchaser shall indemnify the Company against all costs, expenses, loss or damage incurred by the Company in respect of any claim being made or action brought or threatened as a result of work done in relation to the Goods by the Company in accordance with the Purchaser’s specification or by the use to which the Goods are put by the Purchaser where such use is not in accordance with the purpose for which the Goods are designed.

13. SUB-CONTRACTS

The Company reserves the right to sub-contract the performance of the contract or any part thereof.

14. ASSIGNMENT

The Purchaser shall not assign or transfer or purport to assign or transfer any contract to which these Conditions apply or the benefit thereof to any other person whatsoever without the consent of the Company.

15. SALES BY THE PURCHASER

The Purchaser undertakes to the Company that in respect of any sales of the Goods the Purchaser shall:

(a) maintain a record of all such sales, including dates, the names and addresses of the Purchaser’s customers and product references and numbers and provide such details to the Company within 30 days of the Company’s written request;

(b) submit to the Company all complaints relating to the Goods together with all available evidence and other information relating thereto and forward to the Company for examination in such a form as the Company may require, all complaints and product references and numbers.

(c) provide all customers with the specification and the operator manual and (where the customer requests) service manual relating to the relevant Goods and make it clear to customers that training and service support are available directly from the Company and pass on to the Company any resultant requests;

(d) give effect to the Company’s current Conditions of Sale when selling the Goods and shall procure that all agents or representatives shall make any representation or statement in relation to the Goods which is not contained in the Company’s current Conditions of Sale;

(e) continue with the Company to observe all export control laws, regulations and orders; and

(f) indemnify the Company against all costs, expenses, loss or damage incurred by the Company as a result of any breach by the Purchaser or any of its employees, agents or representatives of any of the provisions of this Condition.

16. CONFIDENTIALITY

The Parties agree that, in the course of performance of the contract to which these Conditions apply, it may be necessary and desirable for them to exchange confidential information. For example, all updates, repairs, replacements, fixes, modifications, and other changes to the Goods shall be considered the Company’s proprietary information. To accomplish this confidentiality, the parties agree as follows: Purchaser shall not disclose confidential information of the Company to any person outside its employ, except when authorized by the Company. Purchaser shall use the same level of care in preserving the confidential nature of the confidential information as it uses to protect its own confidential information but not less than reasonable care. Purchaser shall use the Goods only for the purpose contemplated by the parties at the time of sale, and for no other purposes. Purchaser shall not: (a) reverse engineer, disassemble (except to the extent applicable laws specifically prohibit such restriction), or decompile the Goods or any portion thereof; or (b) allow or assist any third party to perform any of the foregoing.

17. RETURN OF GOODS

(a) No return of Goods for purposes of the Product Warranty or where return is otherwise expressly permitted under the Order shall be accepted by Company without a Return Material Authorization (“RMA”) number, which may be issued by the Company at its sole discretion, and only upon a completed Customer Declaration in the Company’s designated format in respect of return of the Goods to hazards which is available at http://www.smithsdetection.com/UK_terms_conditions.php. All Goods for return shall be returned freight prepaid in the manner specified in the RMA. If returned Goods are claimed to be defective, a complete description of the nature of the defect must be included with the returned Goods. Goods not eligible for return shall be returned to Purchaser, and Purchaser shall be charged a

18. GOVERNING LAW AND JURISDICTION

These Terms and Conditions of Sale shall be governed by and construed in accordance with French law and subject to the exclusive jurisdiction of the French courts in Paris, France. Each party may bring and maintain legal action against the other party in any court that has general jurisdiction over the other party based on its registered office.

19. CHANGES AND TERMINATION

(a) Company shall have the right, in its sole discretion, to terminate the Order if the Purchaser:

(i) is unable to pay its debts generally as and when they become due;

(ii) is the subject of a legal process declaring it insolvent, or a petition is filed, a notice is given or a resolution is passed for the winding up of the Company, or an application is made to court, or an order is made for the appointment of an administrator, or a notice of intention to appoint an administrator is given;

(iii) suspends, ceases or threatens to cease carrying on all or substantially the whole of its business; or

(iv) commits any breach of the Order which is (a) incapable of remedy (as reasonably determined by the Company); or (b) not remedied within 14 days of the date of the breach.

(b) On termination of the Order for any reason, the Purchaser shall immediately pay to the Company all of the Company’s outstanding unpaid invoices, and in respect of Goods and/or Services supplied for which no invoice has been submitted, the Company shall submit an invoice which shall be payable by the Purchaser immediately on receipt. All the rights and remedies of the Company at termination shall not be affected, including the right to claim damages in respect of any breach which existed at or before the date of the breach.

(c) Purchaser may make a written request for amendment or modification of the Order. If a request for amendment or modification is accepted by the Company, and any changes cause an increase or decrease in the cost of, or the time required for, the performance of any work under the Order an equitable adjustment shall be made in the price or delivery schedule, or both, and the Order shall be modified in writing accordingly. Wherever the cost of property made or procured as a result of an Order exceeds the purchase price, the price adjustment, Purchaser shall have the right to prescribe the manner of disposition of such property.

(d) The Company reserves the right to cancel or terminate the Order without the Company’s prior written approval, which shall be subject to the Company’s sole discretion. If Purchaser’s written request for termination is accepted by the Company, equitable provision shall be made to the Company for a recoupment of all costs incurred under the Order and for reasonable overhead and profit based on time and costs expended. The Order shall continue in effect until such time as payment is received.

(e) If the Purchaser fails to take delivery of the Goods and such failure continues for a period of more than one month beyond the agreed delivery date, the Company may treat such failure as a request of termination of the Order and dispose of the Goods as it sees fit, and the Company shall be entitled to recover all costs incurred under the Order and for reasonable overhead and profit based on time and costs expended.

(f) If the Order refers to or contains separately priced line items for training and/or other Services, the Purchaser shall forfeit any related advance payment(s), or where no advance payment has been made, be charged a
cancellation fee of not less than 30% of the relevant line item price in the event that the Purchaser cancels such Services.

20. FORCE MAJEURE

The Company shall not be liable to the Purchaser for any loss or damage arising due to delay or non-performance of its obligations under this Agreement arising from any cause beyond its reasonable control including, without limitation, any of the following: acts of God, war, terrorism, acts of war, civil disturbance, environmental contamination, nuclear contamination, riot or any other cause beyond the Company’s control, including any circumstances which make it impossible for the Company to provide the Goods. The Company shall not be liable for any loss or damage resulting from the failure of any government or administrative or other competent authority, war, military operations or their operations. The Company shall be permitted to suspend its obligations under the Order for the duration of any force majeure event.

21. INSTALLATION OF THE GOODS

(a) The radioactive sources contained in the delivered materials must be returned to Smiths Detection within 10 years from the date of delivery by Smiths Detection. The formalities and the cost of the return are paid by the Purchaser, the regulatory treatment of the radioactive source remains however the responsibility of Smiths Detection.

(b) Before any installation on French soil, the Purchaser undertakes to obtain, from the Nuclear Safety Authority, for any material possessing a radioactive source or emitting X-rays, the authorization to use said materials.

(c) Where the Company has agreed to install the Goods, the Purchaser shall at its own cost prepare the site on which the Goods are to be installed in accordance with the specifications furnished by the Company for this purpose and in accordance with such specifications, provide such equipment (including without limitation, any equipment necessary to unload the Goods) and carry out such works to the site as may be necessary to enable the Company to install the Goods and if it shall fail so to prepare the site and provide such equipment and carry out such works before the agreed delivery date the Purchaser shall indemnify the Company for all costs and charges incurred by the Company (including storage and transportation costs) as a result of such failure.

(b) When the Goods shall have been installed at the site, tested and shown to the satisfaction of the Company, the Purchaser shall be deemed to have accepted the Goods unless the Company has been notified to the contrary in writing by the Purchaser within three business days of completion of such testing (the “Notice”). The Purchaser shall not give and shall not be deemed to have given the Notice unless the Purchaser has found no defect in the Goods. If the Company is so notified, the Company shall use its reasonable endeavours to remedy any such defect within a reasonable time and the Purchaser shall be deemed to have accepted the Goods within seven days of such defect being remedied.

(c) Purchaser Delays shall be considered excusable delays for the Company and result in a corresponding automatic extension of any agreed upon time for the performance of the Company’s obligations under this Order. The Company shall not be liable to the Purchaser under any circumstances whatsoever for any penalty, damage or loss resulting directly or indirectly from any Purchaser Delays.

22. SOFTWARE

To the extent that the Goods contain or are software, Company hereby grants to Purchaser a non-exclusive, non-transferable, personal license to use the software and related documentation solely with the Goods. Purchaser’s use of the Goods conclusively evidences its acceptance of this license and the Terms and Conditions, including this Condition 22. Title to the software shall at all times remain with Company. Purchaser agrees that the software, all enhancements, related documentation, and derivative works are, and will remain, the sole property of the Company and includes valuable trade secrets. Purchaser agrees to treat the software and related documentation as confidential and not to copy, reproduce, sub-license, or otherwise disclose the software and related documentation to third parties. Purchaser agrees to not disassemble, decompile, reverse engineer, create derivative works from, attempt to derive the source code or otherwise translate, customize, localize, modify, add to, or in any way alter, rent, or loan the software or related documentation.

23. CEIA METAL DETECTORS

If the Goods sold under these Conditions includes metal detectors manufactured by CEIA the following additional provision applies: To ensure proper operation of the unit, CEIA recommends that the unit be firmly anchored to the floor using screws or Silicone. If the unit is not sufficiently anchored to the floor, it may fall and pose a safety risk and/or its detection capability may be compromised. If the Purchaser requests that the Company not install the Goods, the Purchaser shall indemnify and hold the Company harmless from and against any and all actual or threatened Losses resulting from the lack of firm fixation of the CEIA unit to the floor.

24. X-RAY BODY SCANNER

(a) The Company hereby notified that the exposure of human beings to x-ray radiation may be harmful. Purchaser acknowledges that the safe operation of the Goods is entirely the Purchaser’s responsibility and that the Company shall have no liability relating to the use or operation of the Goods by Purchaser or anybody acting on the Purchaser’s behalf. Purchaser undertakes to exercise such care and to adopt and follow such procedures in the use and operation of the Goods as may be necessary to eliminate or minimize the hazards referred to in this section. Without limiting the generality of the foregoing, Purchaser undertakes to use the Goods in full compliance with the Company’s maintenance procedures and operator manuals, to comply with the requirements of all applicable environmental or occupational health and safety laws, radiation safety laws and industry standards relating to radiation safety for personnel security screening systems using x-rays, and to operate the Goods within the radiation dose limits established by such laws and standards.

25. COMPLIANCE AND ETHICS

Smiths is an Equal Opportunity Employer and is committed to conducting its business ethically and lawfully. To that end Smiths maintains a Code of Business Ethics and mechanisms for reporting unethical or unlawful conduct. Smiths expects that the Customer also will conduct its business ethically and lawfully. Smiths Code of Business Ethics is available at https://www.smiths.com/who-we-are/responsible-business.

26. DISPOSAL AND COMPLIANCE WITH WEEE REGULATIONS

(a) For the purposes of this Condition 26 “WEEE Regulations” means the Waste Electrical and Electronic Equipment Regulations 2006 (SI 2006/3289) (as amended, replace use of x-ray Goods on human beings for non-medical purposes may be prohibited in some states or require registration with governmental authorities. Purchaser undertakes to comply with all such prohibitions and registration requirements.

(b) Purchaser covenants that the use and operation of the Goods by or on behalf of the Purchaser shall comply with all applicable privacy and data protection laws.

(c) The fullest extent permitted by applicable law, Purchaser shall defend, indemnify, and hold harmless Company and its affiliates and their respective officers, partners, directors, employees, agents, successors, assigns from and against any and all claims, costs, losses to the extent they arise from any non-compliance with the undertakings in paragraphs (a) to (c).

27. SECURITY SCREENING

(a) To ensure effective screening, Smiths expects that the Customer agrees to implement, and will implement, such reasonable security screening systems as may be necessary to ensure that any radioactive material present in the Goods is entirely treated in accordance with relevant environmental or occupational health and safety laws, radiation safety laws and industry standards relating to radiation safety for personnel security screening systems using x-rays, and to operate the Goods within the radiation dose limits established by such laws and standards.

(b) For the purposes of this Condition 26, CEIA may be necessary to ensure that any radioactive material present in the Goods is entirely treated in accordance with relevant environmental or occupational health and safety laws, radiation safety laws and industry standards relating to radiation safety for personnel security screening systems using x-rays, and to operate the Goods within the radiation dose limits established by such laws and standards.

(c) To ensure effective screening, Smiths expects that the Customer agrees to implement, and will implement, such reasonable security screening systems as may be necessary to ensure that any radioactive material present in the Goods is entirely treated in accordance with relevant environmental or occupational health and safety laws, radiation safety laws and industry standards relating to radiation safety for personnel security screening systems using x-rays, and to operate the Goods within the radiation dose limits established by such laws and standards.

(d) For the purposes of this Condition 26, CEIA may be necessary to ensure that any radioactive material present in the Goods is entirely treated in accordance with relevant environmental or occupational health and safety laws, radiation safety laws and industry standards relating to radiation safety for personnel security screening systems using x-rays, and to operate the Goods within the radiation dose limits established by such laws and standards.

(e) To ensure effective screening, Smiths expects that the Customer agrees to implement, and will implement, such reasonable security screening systems as may be necessary to ensure that any radioactive material present in the Goods is entirely treated in accordance with relevant environmental or occupational health and safety laws, radiation safety laws and industry standards relating to radiation safety for personnel security screening systems using x-rays, and to operate the Goods within the radiation dose limits established by such laws and standards.

(f) For the purposes of this Condition 26, CEIA may be necessary to ensure that any radioactive material present in the Goods is entirely treated in accordance with relevant environmental or occupational health and safety laws, radiation safety laws and industry standards relating to radiation safety for personnel security screening systems using x-rays, and to operate the Goods within the radiation dose limits established by such laws and standards.

(g) To ensure effective screening, Smiths expects that the Customer agrees to implement, and will implement, such reasonable security screening systems as may be necessary to ensure that any radioactive material present in the Goods is entirely treated in accordance with relevant environmental or occupational health and safety laws, radiation safety laws and industry standards relating to radiation safety for personnel security screening systems using x-rays, and to operate the Goods within the radiation dose limits established by such laws and standards.

(h) For the purposes of this Condition 26, CEIA may be necessary to ensure that any radioactive material present in the Goods is entirely treated in accordance with relevant environmental or occupational health and safety laws, radiation safety laws and industry standards relating to radiation safety for personnel security screening systems using x-rays, and to operate the Goods within the radiation dose limits established by such laws and standards.

(i) To ensure effective screening, Smiths expects that the Customer agrees to implement, and will implement, such reasonable security screening systems as may be necessary to ensure that any radioactive material present in the Goods is entirely treated in accordance with relevant environmental or occupational health and safety laws, radiation safety laws and industry standards relating to radiation safety for personnel security screening systems using x-rays, and to operate the Goods within the radiation dose limits established by such laws and standards.

(j) For the purposes of this Condition 26, CEIA may be necessary to ensure that any radioactive material present in the Goods is entirely treated in accordance with relevant environmental or occupational health and safety laws, radiation safety laws and industry standards relating to radiation safety for personnel security screening systems using x-rays, and to operate the Goods within the radiation dose limits established by such laws and standards.
